

Annual Placement Record 2018-19

During the centralized admission process, students aspiring to get into engineering colleges look for the campus placement. MGM Nanded has played important role in training and campus job placements. Having associated with various stakeholders, training, internship and campus job placement have become a unique strength of MGM Nanded.

Training and Placement Cell has been an active interface between Industry and Academia. This year the T & P Cell has played a crucial role in shaping the careers of nearly 150 students by placing them in various multinational and medium and small scale companies. The Cell has presented nearly 400 students to more than 20 recruiters this year. By doing so, T&P Cell fulfills the demand of quality human resource of 20 recruiters.
