The Internal Hackathon of Kavach-2023 was organized by MGM's College of Engineering, Nanded in CSE department labs on 10th April 2023. The Jury panel (Mr. Vikram Dhoot, Mr. K. MuraliMohan and Mr. Malhar Lathkar) was present to guide and evaluate the efforts of the participants. After the registration of interested participants, participating teams selected one of the problem statements out of 20 provided by various ministries and departments involved in Kavach-2023. They were informed to prepare a presentation as per the guidelines provided on the official website.

Following were the 21 teams who participated in the event:

Karna - The Cyber Cops, Techno Wizard, Drishti, Dreamers, Marple, The Coders, Eagle Eye Watcher, Shakti, Code Squad, The Errors, AlertSix, Trojan Hammers, Morning Stars, Code wizards, Splash Aztechs, Tech Geeks, The Sentinels, Tech 6 Connect, Cyber Command, Aliens and Raksha.

These young minds came up with various ideas and solutions to deal with the problem statements. Thereafter the ideas were evaluated by the jury members and were cross-questioned to check if the ideas are executable in real time. The event was organized under the guidance of Dr. G. S. Lathkar (Director), Dr. S. L. Kotgire (Vice-Principal), all Head of the Departments and coordinated by Mr. R. G. Bisen (SPOC and Assistant Professor, Dept. of CSE) along with student coordinators Maniratna Lohekar, Pratyusha Ansapure, Shubham Mamdi and Soniya Motiwal.
