Intellectual Property Right Cell

Inventions and creations have become commonplace owing to the development of engineering science and technology as well as the dissemination of information in both developed and developing nations. A legal security cover has become essential due to the caution to safeguard an individual's product of human intellect from abuse or exploitation. Our institute's IPR Cell is dedicated to fostering innovation and creativity on campus that results in the development of intellectual property. The composition of IPR Cell is as follows;

Sr. No	Name of Committee member	Designation
1	Dr. Geeta S. Lathkar	Director & Chairperson
