

M.G. M.'s COLLEGE OF ENGINEERING, NANDED
Department of Electronics and Telecommunication Engineering
Electronics Technocrats Association (ETA)

Name of the activity:	Childrens day Celebration 2024
Date:	14/10/2024
Activity Coordinator:	Dr. M. R. Banwaskar
Number of participants:	07 Girls from SY

Introduction

Children's Day is celebrated every year in India on **14th November** to honor the birth anniversary of **Pandit Jawaharlal Nehru**, the first Prime Minister of India, who was fondly known as *Chacha Nehru* for his deep affection towards children. On this occasion, students from the **Electronics Technocrats Association (ETA)** visited **Suman Balgrih**, a girls' orphanage, to spread happiness and make the day memorable for the children.

The event was organized to bring smiles, share joy, and create meaningful interaction between the students and the underprivileged children. Through engaging activities and heartfelt interactions, ETA students celebrated the spirit of childhood and showed empathy and responsibility toward society.

Objectives

- To celebrate Children's Day with the girls at Suman Balgrih in a joyful and engaging manner.
- To promote a sense of social responsibility and empathy among ETA students.
- To provide a platform for children to express themselves through games, storytelling, and drawing activities.
- To create memorable experiences for the children through gifts, fun, and emotional **Event Activities**
Fun Games: A series of group games were conducted, encouraging teamwork and enjoyment.
- **Storytelling and Jokes:** ETA students narrated inspirational stories and shared age-appropriate jokes to entertain and engage the children.
- **Significance of Children's Day:** A brief talk was delivered explaining the importance of the day and the values of Pandit Jawaharlal Nehru.
- **Gift Distribution:** Drawing books, colors, and chocolates were distributed to all children as a token of love and care.

Program Outcomes (POs) Addressed

- **PO6:** *The engineer and society* – Demonstrated understanding of social responsibilities by organizing a community outreach event.
- **PO8:** *Ethics* – Exhibited ethical values through compassionate interaction and service to the underprivileged.
- **PO9:** *Individual and team work* – Collaborated effectively in teams to plan, coordinate, and conduct the event.
- **PO10:** *Communication* – Developed and practiced interpersonal and communication skills while engaging with children.
- **PO12:** *Lifelong learning* – Cultivated awareness of the importance of community service as a part of holistic personal and professional development.

Outcome

- Created a cheerful and inclusive environment for the girls at the orphanage.
- Helped the students of ETA develop compassion, communication, and leadership qualities.
- Strengthened the connection between the academic community and local society through meaningful outreach.
- Inspired children to express themselves creatively through the drawing activity.
- The event was successful in promoting joy, unity, and mutual respect.

Feedback

The caretakers at **Suman Balgrih** appreciated the efforts of the ETA team, expressing gratitude for the positive energy and kindness shown to the children. The children themselves were overjoyed and actively participated in all activities. ETA students felt personally enriched by the experience, gaining a deeper understanding of empathy, teamwork, and social responsibility.
