Date:	08/03/2025
Activity Coordinator:	Dr. M. R. Banwaskar, Ms. Maithili M. V.
Number of participants:	45

Introduction

International Women's Day is celebrated worldwide to recognize the achievements, strength, and contributions of women in all spheres of life. It also serves as a platform to inspire confidence, leadership, and self-reliance among girls and young women.

Dr. Ashwinii Jagtap, through her distinguished service in the police department, exemplifies courage, discipline, and dedication to public service. Her journey is a powerful source of motivation for students, especially young women aspiring to build impactful careers and contribute meaningfully to society. Through her address, she will share valuable insights on women's empowerment, safety awareness, leadership, and the importance of determination in overcoming challenges.

- The objective of celebrating **Women's Day** is to inspire and encourage girl students to explore their potential in the field of **entrepreneurship**.
- To create awareness about opportunities available for women in startups and innovation, highlight success stories of women entrepreneurs, and instill confidence among young minds to take entrepreneurial initiatives.
- By fostering creativity, leadership, and problem-solving abilities, the program seeks to motivate girl students to transform their ideas into impactful ventures.
- To emphasize the importance of financial independence, self-reliance, and contribution to society through innovation and sustainable entrepreneurial practices.

Outcome

- The Women's Day celebration motivated girl students to recognize their entrepreneurial potential and develop confidence to pursue innovative ideas.
- Dr. Ashwini created awareness of various opportunities, schemes, and success stories of women entrepreneurs.
- The event helped enhance their leadership, problem-solving, and decision-making abilities, while fostering a spirit of self-reliance and financial independence.
- As an outcome, girls showed increased interest in entrepreneurship, startup culture, and contributing to society through innovative and sustainable ventures
