## **Two Day's Workshop on Microsoft Certified Azure Fundamentals**

The Department of Computer Science and Engineering (CSE) organized a Two-Day's Workshop on Microsoft Certified Azure Fundamentals on 30<sup>th</sup> and 31<sup>st</sup> October 2023. The workshop featured valuable insights from distinguished resource persons, Ms. Sonal Sarada, an International Corporate trainer, Bangalore and Mr. Sajay Sarada, Vice President at Altisource (Quality Engineering and DevOps), Bangalore.

Dr. Geeta S. Lathkar, the Director of MGM CEN, graced the occasion, emphasizing the importance of staying updated with emerging technologies in the ever-evolving field of information technology. Her presence underscored the commitment of MGM's COE towards fostering academic and professional growth.

The workshop was started with a gracious welcome of the resource persons, Ms. Sonal Sarada and Mr. Sanjay Sarada by Dr. Geeta S. Lathkar, Director, MGM CEN. Dr. A. M. Rajurkar, HOD of the CSE Department, warmly welcomed Director Madam and lastly Dr. A. M. Rajurkar Madam received a cordial welcome from Mr. Salve S.G. and Ms. Kale J.S., Workshop Coordinators.

The workshop sessions were meticulously structured, covering key aspects of Microsoft Certified Azure Fundamentals. Ms.Sonal Sarada and Mr. Sajay Sarada engaged participants through interactive discussions, practical demonstrations and hands-on exercises. B.Tech CSE students had the opportunity to delve into the intricacies of Azure fundamentals, gaining practical insights that are crucial for both academic and professional pursuits. The workshop facilitated a conducive learning environment, encouraging participants to ask questions and actively participate in discussions. The closing session expressed gratitude

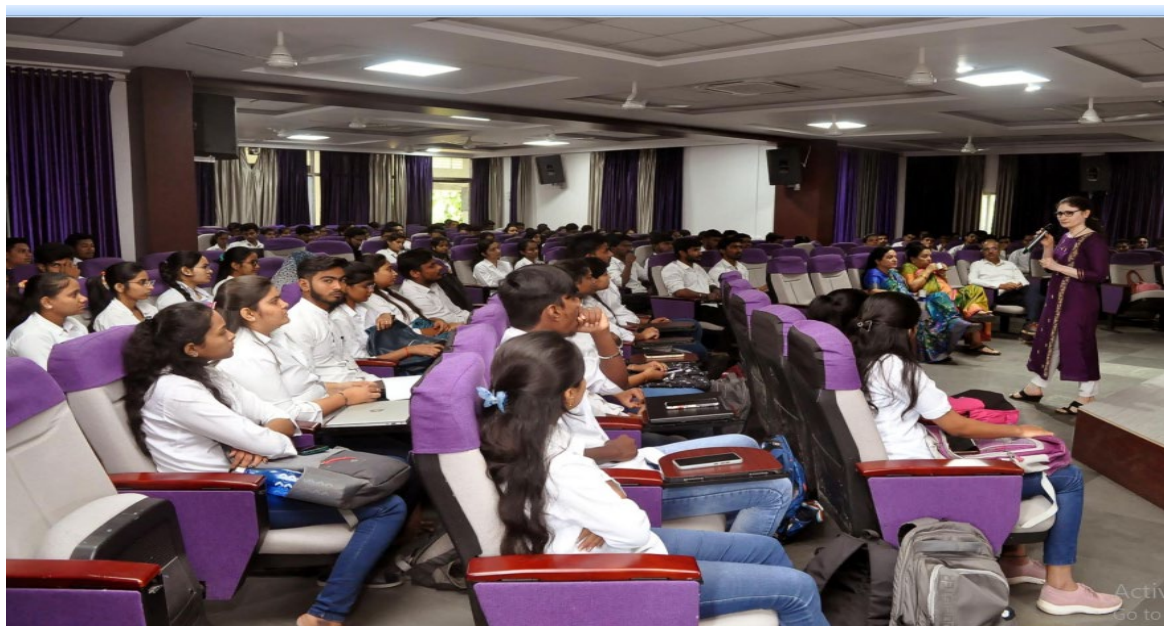

to Ms. Sonal Sarma and Mr. Sajay Sarma for their invaluable contribution and commitment to knowledge dissemination.

The Two-Day's Workshop on Microsoft Certified Azure Fundamentals was a resounding success, thanks to the collaborative efforts of the resource persons, organizers, and participants. The event not only improved participants' grasp of Azure basics but also highlighted MGM COE's dedication to offer excellent education and promoting a culture of constant learning.
