Dear Sushant,
Greetings of the day..!!

This is Shivprasad, Placement Officer, MGM's College of Engineering, Nanded MH, We are a 37 Year old organization located in the city of Gurudwaras with state-of-the-art infrastructure particularly in MECH Engineering and CSE Department. Especially the Mech Department equipped with HAAS CNC Lathe Machine and HAAS CNC Milling Machine worth Rs 1.5 Crore to train our students for manufacturing jobs.

We express our sense of gratitude for including our college amongst top 100 colleges across India for the campus connect initiative of your esteemed organization. It was great to be a part of the TPO meet organized on 19th Feb 2022 and was extremely delighted by the way in which you addressed all of us about the opportunities available for core Mechanical and Electronics sectors.

As per your mail, we have already sent the students details per the format specified by you. We have organized customized training for CATIA V5 as mentioned in the job description to sharpen their niche skill.

As discussion over phone, you will be including our students in a campus drive organized at Ramdev Baba College of Engineering, Nagpur on 5th April, 2022. It would be great you could send the mail confirming the same. Looking forward to a long term association with you.

Regards,

Shivprasad Titare
Placement Officer,
MGM's College of Engineering, Nanded

Hi Shivprasad,

I am Manish Kohli, business head at Tata Technologies. I am reaching out to you for our newly launched flagship Campus Programme " ENGAGE "– certifying engineers for the new age.

In this programme we will take the choicest engineering institutes of India to certify & produce "Industry Ready "students through a blended mode of learning, covering domain skills to reduce the skill gap, promote upskilling and enhance the overall employability of students.

I believe MGM's College of Engineering can take a good benefit from our campus programme to make their students Fit4industry. We have organized an E-Meet on **23rd September** where our experts will take you through the complete process and answer all your queries. I request you to join our E-Meet to understand all the details about the campus programme.

Please register yourself for our E-meet: Registration Form

Do check our attached brochure to know more or reply back if you have any queries.

Regards,
Manish Kohli,
AVP - Tata Technologies

Hi Team,

Hope you are doing well. I just wanted to know if you had a chance to go through the quick details of our Campus programme shared in last mail. I'm convinced you and your team will find it insightful to make your students Fit4industry. Industry ready engineers are a major need for

organizations today and Tata Technologies Flagship Campus Programme will increase overall employability of students.

Don't miss this opportunity. Let us know your availability for our E-MEET on 23rd September where we will take you through the complete process. You can fill up the form here: [Registration Form](#)

Regards,
Manish Kohli,
AVP - Tata Technologies

Hi Shivprasad Titare

I am Adwait from Tata Technologies. Our E-meet on Engage – Campus programme by Tata Technologies was a huge success. Thanks in part to all of your participation. Your participation is so important because our #1 goal is to make today's engineering students Fit4Industry. If you have missed the E-meet, here is the link to the complete session: https://youtu.be/TnM6_EDCZWk

One last thing, if you're interested for a discussion, here is the link to our form so our experts can get back to you for more details and scheduling a one - one meet. Click here <https://forms.office.com/r/PKmb3wBjut>

Once again, Thank you so much. Let's connect.

Regards,
Adwait.
