

UDAAN

After completion of four year successful study we organize farewell (UDAAN) for the final year students. In this four year we prepare the students with technical knowledge and also teach them to follow the following principles of father of nation Mahatma Gandhi their life; that is

Knowledge with Character

Pleasure with Conscience

Commerce with morality

Science with Humanity

Politics with Principles

Religion with Sacrifice

And

Wealth with Work

We are highly privileged to dedicate MGM Engineers to the service of the Nation.
